and the Rotary Club of Nambour 76**

Rotary is a worldwide organisation of like-minded individuals committed to working for the benefit of local, national and international communities – to make the world a better place.

The Rotary Clubs of Nambour and Nambour76 are inviting applications for grants from community groups and organisations that carry out programs and projects benefitting communities in the Nambour region.

Grants of up to \$1,000 will be considered.

Applications from 'for profit' entities, political parties or individuals will not be considered.

Grants should supplement, not replace, funds raised by the applicant themselves. Show how the Rotary grant will add value to your community project.

The closing date for applications, which must be on this prescribed form, is 5PM on Friday 24 June 2016.
